

CURRICULUM VITAE

RANTI AKIYODE, Pharm.D., BCPS
2300 4th Street, NW
Washington, DC 20059
(202) 806-4207
Email: oakiyode@howard.edu

Education

Doctor of Pharmacy, University of Mississippi University, MS; May 2000

Bachelor of Science in Pharmaceutical Sciences, University of Mississippi University, MS; May 1998
Graduated Magna Cum Laude

Bachelor of Science in Chemistry, Jackson State University Jackson, MS; May 1996
Graduated Magna Cum Laude

Postgraduate Training

Community Pharmacy Practice Residency <i>Leesburg Pharmacy</i>	July 2, 2000 to June 30, 2001 <i>Leesburg, VA</i>
--	---

Responsibilities included implementing a disease state management study, compounding extemporaneous preparations, processing prescriptions, developing an innovative program, counseling patient, reviewing patients' medication charts, providing immunizations and health screening services to patients.

Adjunct Clinical Assistant Professor <i>Shenandoah University, School of Pharmacy</i>	July 2000 to June 30, 2001 <i>Shenandoah, VA</i>
---	--

Served as clinical clerkship preceptor and coordinator for senior pharmacy student and provided instruction on pharmacy topics.

Professional Experience

<i>Howard University, College of Pharmacy</i>	<i>Washington, DC</i>
Dean	December 2022 to present
Interim Dean	July 2022 to November 2022

Provide administrative leadership for the college of pharmacy. Responsibility includes monitoring compliance with accreditation requirements, budget management, implementation of college's mission and strategic plan, development of fund-raising activities, represent the college with external partners, oversight on faculty appointment, reappointment, and tenure, and staff supervision.

Assistant Dean for Student Affairs	July 2017 to December 2022
---	-----------------------------------

Provide proactive leadership, direction, and administrative oversight for college-wide matters related to Office of Student Affairs. Ensure compliance with accreditation standards related to student affairs. Oversee admissions, recruitment, and enrollment processes. Provide oversight for all College of Pharmacy sanctioned student organizations and co-curricular activities. Supervise and evaluate the activities and performance of support staff for Office of Student Affairs. Supervise all the activities and events organized by the Office of Student Affairs.

Professor

July 2016 to present

Provide medication therapy management services at the diabetes treatment center of Howard University Hospital. Provide didactic and clinical instruction to pharmacy students at all levels. Develop and implement research programs, participate in college and university committees, and national pharmacy associations.

Director of Professionalism and Professional Development

May 2013 to May 2022

Provide oversight on the professional development activities of students as it relates to pharmacy education and professionalism. Assure that the College of Pharmacy is compliant with accreditation requirements, as well as institutional standards regarding professionalism and professional development of faculty and staff.

Associate Professor

July 2007 to June 2016

Provide medication therapy management services at the diabetes treatment center of Howard University Hospital. Provide didactic and clinical instruction to pharmacy students at all levels. Develop and implement research programs, participate in college and university committees, and national pharmacy associations.

Assistant Professor

July 2, 2001 to June 2007

Provide instruction to pharmacy students, provide clinical pharmacy services in an ambulatory care setting, develop and implement research programs, participate in college and university committees, participate in state and national pharmacy associations. Overall, excel in teaching, scholarly, and service related activities.

Diabetes Treatment Center at Howard University Hospital Washington, DC
Clinical Pharmacist August 2007 to June 2017

As the founding pharmacist for the Center, provide direct pharmacotherapy care to patients with uncontrolled diabetes via the delivery of medication therapy management. Provide diabetes self-management education and training in an American Diabetes Association recognized program to diabetes patients.

Howard University Hospital Ambulatory Clinic Washington, DC
Clinical Pharmacist May 2004 to May 2007

Provide patient care services to adult patients with chronic disease conditions. Services offered include: drug therapy recommendations to physicians, medication and pharmaceutical device counseling, polypharmacy/noncompliance counseling, patient/family education, medication therapy assessment, quality assurance activities and provision of drug information.

CVS Pharmacy (Advance Community Pharmacy Rotation) Washington, DC
Clinical Pharmacist/Preceptor July 2003 to April 2004

Oversee the clinical activities of pharmacy students. Services included: OTC/herbal education and review with students and patients; disease state management reviews, blood pressure screenings and education, health information displays, community outreach presentations, and patient counseling education.

**Retail Pharmacies in Maryland/DC Area
PRN Pharmacist**

January 2003 to 2012

Responsibilities include filling prescription orders, checking for prescription accuracy, mixing pharmaceutical preparations, providing drug information to patients, counseling patients on prescription

and non-prescription products.

Morton’s Pharmacy
Wellness Center Coordinator
Develop and implement pharmaceutical care services for patients in the area of medication compliance/counseling and diabetes. Provide disease prevention service through screenings for diabetes, hypertension, cholesterol, arteriosclerosis, and osteoporosis. Provide education seminars on various health topics, including diabetes.

Washington, DC
January 2002 to January 2003

Community Pharmacies in Jackson, MS
Pharmacy Technician
Responsibilities included entering prescription orders into computer, filling prescription orders, counseling patients on over-the-counter (OTC) products, and processing incoming inventory.

May 1997 to April 2000
