

# Kellie Farster, PE, LEED AP

## Senior Associate, Project Manager

20 years of Experience

With more than two decades of experience in structural engineering, Kellie's wide-ranging project experience includes new structures, expansion, and renovation of existing structures. She has contributed innovative and efficient designs to many challenging projects.

In addition, Kellie has demonstrated expertise in various market sectors including education, higher education, healthcare, commercial, and residential. She is skilled at structural engineering analysis, project management, design coordination, and construction administration. Kellie served on the 2022 Board of Directors for Commercial Real Estate Women, DC CTE's Career and Technical Education as an Industry Advisory Board for Engineering Academies, as well as multiple committees within the Structural Engineers Association of Metropolitan Washington, and Structural Engineering Engagement and Equity (Se3).
